

Development of EEmbedded System  
Courses with implementation of  
Innovative Virtual approaches for  
integration of Research, Education and  
Production in UA, GE, AM

- Agenda
  - Planning of WP5
  - Equipment
  - Start-up visits and master classes in '15 - '16
  - Mid-term report
  - Definition of curricula-course-module
  - Website content
  - Urgent matters

- Planning of WP5
  - Implementation of course material
    - Substitution - upgrade
  - Teaching pilot group
  - Who is going to teach what to whom, when?

- Equipment
  - Status - delivery - individual demands
  - Registration in balance of the university
  - Experience?

- Start-up visits and master classes in '15 - '16
  - When is suitable - suggestions
    - Final suggestion in June

- Mid-term report
  - Need for partner input

- Definition of curricula-course-module
  - Suggestion: Course < Module < Curricula

- Website
  - Content
  - Downloads
    - (User: tempusproject, Password: desire2015)
  - Dissemination - events - actions: to put on website
    - Please provide!

- Urgent matters: write this down!
  - Mobility Reports: before 01/05/2015
  - Summer Course Belgium registration: before 01/05/2015
  - Staff Conventions & Timesheets: before 08/05/2015
  - Dissemination - events - actions for putting on the website: before 08/05/2015 (photos, agenda, reports)
